

JACK JOHNSON AND STANLEY KETCHELL, WHO MEET FOR TWENTY ROUNDS IN FRISCO

Jack Johnson, the giant Texas negro who holds the world's heavyweight championship through having beaten Tommy Burns in Australia, meets Stanley Ketchell, the midweight champion, in a twenty round bout at San Francisco on Oct. 16. The bat-

tle is regarded as a championship event and is of interest because it will be Johnson's first appearance in a contest scheduled for more than ten rounds since he won his title. He met Al Kaufman, a heavyweight, recently in a ten round go and failed to put him out, although the blacksmith was no match for him at any stage of

LEACH'S CATCH OF COBB'S GREAT DRIVE GAVE PIRATES GAME

How Detroit Lost First Contest in World's Series—
Poor Support for Mullin

The two premier teams of the country, the Pittsburgh Pirates and Detroit Tigers, met yesterday at Pittsburgh and the parent leaguers won out 4 to 1, the contest being witnessed by the largest crowd that ever turned out to see a world's championship contest. As in the two former world's series in which the Tigers have participated, they had the opening contest within their grasp, but the old hoodoo seemed to pursue them, and they fell by the wayside. It was the home run drive of Clarke's in the fourth installment that broke the string for the Pirates, and started the undoing of the American leaguers. This run put the teams on even terms, but the fans looked for the Tigers to make some mistakes that would undo the count, and Delahanty and Bush came through with these breaks in the fifth frame which permitted the Pirate to forge to the front. Once in the van, the National Leaguers settled down and played the steady, arctic ball that enabled them to represent the National League in the series. Their defense became impregnable, Tommy Leach making a marvelous catch that balked the only Detroit rally that looked promising. Adams allowed one more hit than did Mullin, but with men on the bases he was well nigh invincible. The holding behind him could not be excelled, while Mullin's support was of the wobbly and discouraging sort. At that the Adams youngster had a bit of luck for after the Tigers had scored their loner in the first session a ball batted by Moriarty hit Delahanty as the latter was on his way to third and kept the Tigers from adding to their tallying board. It is the common belief that if Del had side-stepped the hit the Detroiters might have gained a lead that would have been sufficient, as the ball would have gone for a hit, Crawford who was on third would have scored, as also would Delahanty. But

The ice breaker came in the first inning, going to Detroit, followed by the tie in the fourth on a home run drive by Clarke. The ghost went up in the fifth when Delahanty fumbled Abstein's grounder, the Pirate first sacker going to third. Gibson came along with a two bagger after Wilson struck out. Bush then messaged Adams' easy grounder. Byrne was felled on a wild pitch by Mullin, filling the bases. Leach then hit Jones, Gibson beating the throw to the plate. With two on Clarke went out Delahanty to Jones. There came another Pirate score in the sixth. Wagner led off with a two bagger to left and went to third when Schmidt made a bad throw to catch him napping on second. Wagner scored when Abstein dropped a puny roller in front of the plate on which he was thrown out at first base. Leach saved the day for Pittsburgh in the seventh. With two out Davy Jones singled into right and Bush drew a pass. It was up to Ty Cobb. Tyrus drove a terrific liner to deep center field, which Leach sensationally speared after a long run. GIANTS LUCKY TO GET FIRST WIN IN SERIES

"Matty" Kept Hits Apart
While Boston's Errors
Aided In Their Undoing.

The Giants drew first blood in their series with the Boston Americans yesterday at the Polo grounds 4-2. A choice collection of three errors by the Red Sox in the third inning sealed the game for the Giants, winners were outbatted by the losers, but the Nationalists had the edge on the Americans in fielding. It was the peerless one, Matty, against Wood. Matty was ground to for clean drives, while Wood allowed only six. The contest brought out a great deal of bone head work by both clubs in the base runs. Each side scored the dumb plays of the Giants, but the work of "Matty" in keeping the hits scattered told the tale. There was however one stellar light in the game. Tris Speaker of the Red Sox. Tris made a home run and besides slapped out two singles. He completed his great work in the eighth inning when he caught Doyle's fly by a sharp throw to the plate nipped O'Hara who ran for Myers, who had previously made a three bagger. With one out Lord bounced a two bagger into right. Speaker followed with a single. A double steal was worked, Lord scoring. The New York tally was unexcused. French threw Doyle's offering low to first, and Larry was safe. Larry stole second and moved up to third when Myers infield out. Tamm was registered on Lord's wild throw of Mathewson's grounder. Speaker's home run happened along in the seventh, being the last score of the game.

CUBS SHUT OUT WHITE SOX 4-0

Ed Walsh of the White Sox did not baffle the Chicago Cubs as he did back in the world's series of 1906, their hits off him coming when they were most needed, and when the White Sox worked in bits of loose playing. Overall was in good form, holding the "Hitless Wonders" to four hits, and shutting them out.

BIG LEAGUE NOTES

To-day again at Pittsburgh.
Give credit of the win to Tommy Leach.

It was Leach's stab in the seventh of Cobb's terrific drive with two on that really saved the day for the Pirates.

If that ball had gotten by Thomas, Ty would have covered all the bags and the score would have been tied, with it the probable ascension of Adams.

One of the busiest Saturdays of the whole gridiron season is provided for by to-day's schedule. Over a hundred games are booked for different parts of the country. Harvard meets stiffer opposition than heretofore, as Williams being the Crimson's opponent. Fordham goes to Princeton for a battle which will be warmly watched with interest as will be the Pennsylvania State-Carlisle tussle at Wilkesbarre. The latter, in fact, is expected to be a scrap for fair. Syracuse has an opponent who is somewhat of an unknown quantity, West Virginia, but the Red and Blue, it is thought, will be hard pressed. The schedule contains the following games:

Harvard vs. Williams, at Cambridge.
Yale vs. Springfield T. S., at New Haven.
Princeton vs. Fordham, at Princeton.
Pennsylvania vs. West Virginia, at Philadelphia.
Cornell vs. Oberlin, at Ithaca.
Brown vs. Amherst, at Providence.
West Point vs. Trinity, at West Point.

Galveston, Tex., Oct. 9.—A local sporting combination is said to have offered a \$70,000 purse for the Jeffries-Johnson fight if Johnson will fight here. The scheme is to build a pavilion on the rock, between the Gulf and the Gulf, to accommodate from 15,000 to 20,000 people. The Texas prize fight has extended only three miles from shore.

The New York, Oct. 9.—Al Kaufman has accepted the terms of a Philadelphia promoter for a six-round battle with Jack O'Brien on October 27, but will leave for the East this week. The Californian, however, will attend to all details of the pilgrimage east and handle the managerial end. Kaufman believes he had made a good match, and it will give him a chance to deal with Eastern promoters for future battles.

"Ham" Andrus Returns to Yale
With the return of "Ham" Andrus, who arrived in New Haven yesterday from Alaska, Yale football season is now complete. Every veteran has now registered, and although Capt. Ted Coy has not yet donned his uniform, he says that he will be in the arena work early next week. Andrus will begin practice next week and play in the West Point game. He will be placed at right tackle, supplanting Ted Lilley. Later he may wish to try him in the new role.

Walter Camp on Football Rules
In answer to an inquiry as to the effects of the changes in the football rules, Walter Camp of Yale, who presided over the recent meeting of the Football Rules Committee of the intercollegiate association, said:
"The changes in the rules are not very marked so far as their immediate effects upon the actual methods of play go. Field goals will still be attempted in spite of the lessening in value of these from four points to three. Open play and the further development of forward passing and on-side kicking must be attempted, and teams that rely upon simply plunging tactics will find it difficult to score. Finally the fact that a side which has made a touchdown or safety may scrimmage the ball upon its twenty-five-yard line instead of being forced to kick out will give a team playing against the wind a thorough opportunity to extricate itself from a difficult position."

BASEBALL SCORES

The champion Pittsburgh Pirates of the National League defeated yesterday the three time champion Detroit Tigers of the American League in the first game for the world's baseball championship. The Pirates played a better game in the field and were more effective in their hitting when hits counted. The New York Nationals and the Boston Red Sox met in the first game of their series yesterday at the Polo Grounds and the home team won with Mathewson in the box by a score of 2 to 1. Mathewson and Wood pitched fine ball. The errors behind Wood were costly. The two Chicago teams, the Cubs and White Sox, opened their series in Chicago. The Cubs, with Overall opposed to Walsh, shut out the White Sox by a score of 4 to 0. The results:

Pittsburgh (N.L.) 4; Detroit (A.L.) 1.
New York (N.L.) 4; Boston (A.L.) 2.
Chicago (N.L.) 4; Chicago (A.L.) 0.
